[Home](#) > I received an NEF e-mail, if I forward it to another individual will that individual be charged for viewing the document?

---

**Answer:**

If you forward the NEF within 15 calendar days of receipt without having viewed the document, the recipient of your forwarded email will be able to view the document for free until the free view expires. The free view expires after a first viewing or expiration of the 15 days, whichever occurs earlier. After the free view expires a charge will be incurred to view and print or copy the document.
