[Home](#) > I filed a document in the wrong bankruptcy case or adversary proceeding, how do I make a correction?

Answer:

Prepare a new document that withdraws the original document. File the withdrawing document in the “wrong” case or [adversary proceeding](#) using the event *Withdrawal of Document* and by linking the withdrawing document to the original document. The *Withdrawal of Document* event is located in the Miscellaneous category under the Bankruptcy and Adversary menus. Then file your document in the correct case or adversary proceeding.
