[Home](#) > What do I do if I cannot find the document I'm filing listed as a filing event in ECF?

Answer:

Try using the ECF "Search" feature. For example, when filing an *Application to Pay a Filing Fee in Installments*, use the search term "installments" to locate the event "*Pay Filing Fee in Installments*." If you are unable locate an event for the document you are filing, contact the division where the case is filed for assistance.
