In the interest of saving you and your professionals valuable time, we have decided to implement the following procedures. If we have failed to copy any of your regularly employed professionals, please forward a copy of this memorandum to them.

Effective July 14, 2008, Chapter 7 Trustees and their professionals may, but need not, personally appear at fee application and final account hearings in the Oakland Division, unless an objection is on file or you receive notice from the court to appear, in which case you must appear. However, you must be available by telephone at the time of the hearing, in case an objecting party appears or the court has questions. Any person wishing to utilize this telephone standby procedure must contact the Courtroom Deputy by telephone or fax at least 24 hours in advance and provide your direct line. Absent this information, you will be required to attend the hearing.
