Multi-Court Voice Case Information System

What is McVCIS? (pronounced "mac-vee-sis")

McVCIS allows you to call the U. S. Bankruptcy Court's computer from any touch tone telephone and hear the following case information read to you by a computer-synthesized voice:

- Case number
- Names of debtors or principal adversaries
- Case filing date
- Case chapter
- Name of debtor's attorney
- Name of judge
- Filing and closed dates
- Status of the case
- Whether or not the case has assets
- Telephone number of debtor's attorney
- First meeting of creditors date

What is the charge for using McVCIS?

This service is provided free of charge.

When is the service available?

You may call 7-days a week, 24-hours per day.

How current is the information?
