[Home](#) > Recordings of Courtroom Proceedings Available on Pacer

Digital audio recordings of some court proceedings will be accessible on the court's docket through PACER and will be formatted as a MP3 file. In order to listen to an audio file, click the document number to display the PDF, then click the attachment icon (paper clip) to play the audio with the audio player that is available on your PC (such as Windows Media Player). For more information: https://www.pacer.gov/announcements/general/audio_pilot.html
