The Judge/[Trustee](#)ⁱ Assignment program needs to be run after the case is open. The process of randomly assigning the judge and trustee is described below.

1. After accessing the CM/ECF system, click on the **Bankruptcy** hypertext link on the CM blue main menu bar.
2. The Bankruptcy events screen displays.
3. Click the Judge/Trustee Assignment hyperlink.

NOTE: This may take a few minutes. The system will display the judge and trustee assigned to the case(s).
