

[I am an attorney applying for an ECF login. May my support staff participate in the online training webinar course?](#)

**Answer:**

Attorneys are urged to encourage their non-attorney staff members to view the webinar and complete the practice assignment so as to familiarize working with ECF, but staff may not take or complete the webinar or practice assignment on behalf of an attorney applying for a login. Staff are not required to submit a completed practice assignment to the Court for review.
