

[What is Electronic Case Filing?](#)

Answer:

Case Management/Electronic Case Filing (CM/ECF or ECF) is a comprehensive system that allows the Court to manage and maintain electronic case files and offer electronic filing over the Internet. Unless sealed, a document filed in a case is immediately available electronically through the Internet.

[What hardware and software do I need to use CM/ECF?](#)

Answer:

Please refer to the [CM/ECF hardware and software specifications](#) for details.

[How do I obtain a login and register to use CM/ECF?](#)

Answer:

Full access to CM/ECF is available to attorneys, and limited access is available to certain other professionals (such as approved personal financial management course providers, creditors, trustee staff, etc.).

For information on obtaining a login and registering for ECF, please see the [CM/ECF webpage](#).

[How do I receive e-mail notices from the court?](#)

Answer:

Emailed notices from the court can be received by both debtors and ECF registered participants with an active login.

The registered ECF participant, in addition to having an active account must be a party to a case, or an attorney of record for a party to a case. Email notices to ECF participants include filing error notices and Notices of Electronic Filing, commonly called an "NEF" for short.

A debtor may receive court-generated notices and orders by email instead of U.S. mail when enrolling in the Debtor Electronic Bankruptcy Noticing (DeBN) program. DeBN is a free and voluntary service available to all debtors with an open bankruptcy case. Visit the [DeBN web page](#) for additional information or to obtain a Debtor Electronic Noticing Request form.

[When a document is filed in ECF does the ECF system automatically serve the other parties in the case? Do the other parties just get notification of a filing, or do they get the actual document?](#)

Answer:

When a document is filed in ECF a Notice of Electronic Filing (NEF) is automatically generated and emailed to the ECF registered parties in the case. The NEF includes the text of the docket entry, the unique electronic document stamp, a list of the case participants receiving email notification of the filing, and a hyperlink to the filed document(s) (not a copy of the filed document). Most recipients will receive one free look at the document when they click on the hyperlink to the document.

Parties to a case who are not ECF registered participants will not receive an NEF.

[The Notice of Electronic Filing \(NEF\) I received has a link to a document. Am I charged to view the document?](#)

Answer:

An NEF email containing a hyperlink to a filed document can be viewed the first time for free. This one free view link expires after the first use or 15 calendar days, whichever occurs earlier. To retain a free copy of the document for your records, print or save the document during this initial viewing period.

If you click the link after it has expired, you will need to enter your PACER login information, and you will be charged to view and print or copy the document.

Also, the NEF may include a case number link. If you click on the case number link, it will display the Docket Report for the case. You must log into PACER to view the Docket Report, and you will be charged for access.

[I received an NEF e-mail, if I forward it to another individual will that individual be charged for viewing the document?](#)

Answer:

If you forward the NEF within 15 calendar days of receipt without having viewed the document, the recipient of your forwarded email will be able to view the document for free until the free view expires. The free view expires after a first viewing or expiration of the 15 days, whichever occurs earlier. After the free view expires a charge will be incurred to view and print or copy the document.

[Is there any reason I would not receive my court generated NEF free copy emails?](#)

Answer:

The NEF email may have gone to your junk email folder. Also, if a recipient inadvertently identified a previous Court email as spam, the ISP may be blocking email from the Court. Sometimes, depending upon the policy of your ISP, you may not receive an NEF if your email inbox is full. Contact your ISP to rectify this situation. **Note:** Some ISPs may automatically route Court email to a junk mail folder. Go into your junk mail folder and mark email from the Court as "not junk mail."

[I am a registered ECF filer, can my support staff also receive a copy of the Notice of Electronic Filing \(NEF\) e-mail?](#)

Answer:

Yes. As a registered ECF filer you may authorize a duplicate NEF be sent via e-mail to one (1) member of your support staff. Please contact the Helpdesk at helpdesk@canb.uscourts.gov to add or change your support staff email address.

[How do I sign up to receive notices from the Bankruptcy Noticing center \(BNC\) via email?](#)

Answer:

Separate from receiving an NEF email, other notices in a case may be sent by the BNC, sometimes by regular mail. To receive BNC notices via email a creditor must sign up at the BNC public web site at www.ebnuscourts.com. Submit your completed registration form to the BNC. A similar service from BNC is available for debtors. See the FAQs below for Debtor Electronic Bankruptcy Noticing (DeBN).

[How do I learn who is participating electronically in a case?](#)

Answer:

In ECF select Utilities, then under the Miscellaneous category heading select Mailings and then Mailing Info for a Case. Enter the case number and submit. An Electronic Mail Notice List should appear, along with access to a list of case participants to receive non-electronic (manual) notice. The electronic participants are also listed on an NEF that is emailed in a case after a document is filed. The contents of an NEF may also be viewed by clicking on the "silver bullet" hyperlink next to each electronically filed numbered entry on a case docket.

[I tried to electronically file a document with ECF but it says format not recognized, what am I doing wrong?](#)

Answer:
